

# 2025 NYC Congestion Pricing Audit Report

## Executive Summary

This report provides a technical and business audit of the Manhattan Congestion Relief Zone Toll.

Total 2025 Surcharge Revenue: \$81,969,794.25

Rain Elasticity Score (Correlation): 0.14423782170901292

## Top Suspicious Vendors (Ghost Trips)

VendorID	Ghost Trip Count
2	981481
1	190648
7	110986
6	2347

## Policy Recommendation

Based on the analysis, we observe significant ghost trip activity. We recommend implementing stricter real-time validation of trip physics (speed/duration) at the point of data submission to reject impossible trips.
